# The world's number one event for the long steel market is in Munich during Oktoberfest!

---

SteelOrbis is excited to announce that the second gathering of SteelOrbis and IREPAS in 2025 will be held at the **Sofitel Munich Bayerpost on September 28-30** during Oktoberfest.

While gathering its members and participants together at the world's number one event for long steel products and creating unique networking opportunities, the SteelOrbis and IREPAS Conference will also offer you the chance to listen to informative presentations about the latest developments in the markets!

## ? Here's what you will find at this conference

---

You will acquire a better understanding of the global market situation before planning your strategy and will gain an accurate picture of supply and demand and steel price levels.

You will have the opportunity to hear the plans of major producers and traders.

You will be able to listen to discussions of the latest global economic issues.

You will have the chance to interact and create new business partnerships with the world's major long steel producers, traders and raw material suppliers.

## Speakers at the conference

---

**Alexander Gordienko**  
*Export Director*  
**Celsa Group**

**Jiang Li**  
*Chief Analyst*  
**Baosteel**

**Ramy Saleh**
